

**SERVICE  
ENGINEERS  
SPECIAL**

**HAS YOUR PHOTOMETER  
SEEN BETTER DAYS?**

With pool and hot tub customers making fantastic use of their recreational water, there has never been a more important time for service engineers to carry out fast and accurate water tests.

- Ideal for Pool Engineers
- Great option many showrooms wanting to keep in line with HSG282 recommendations
- Easy to use and portable option for the busy holiday park manager
- Ideal for owners of holiday rental properties
